

HAPPENINGS THE WORLD OVER

Cycling.

John Chapman Sets Another New Mark.

IS A WORLD'S RECORD

FASTEST MILE RIDDEN ON AN EIGHT-LAP TRACK.

Made the Distance in 1:47 2-5, Which Beats McFarland's California Record By Two Seconds—A Long Programme of Races—Crowd Went Wild at Some Finishes.

Johnny Chapman clipped two seconds off the world's record for one mile last evening at the Salt Lake track, beating the distance in 1:47 2-5, paced by two tandems, bestirred by Julius and Chaffee and Turville and W. G. Furman. The half mile was covered in 0:53 4-5 seconds, and after a capital pick-up by the second tandem Chapman finished in 1:47 2-5. The announcement was greeted by loud cheers from the crowd of 4,000 or more who were there.

The half mile took furnished three hot races. In the first qualifying heat Johnny Chapman had his first chance to show his mettle. After a lot of loafing he cut in with a sudden burst, leaving the boards close behind and Jensen and Chaffee following. All four hung together, and finished in the same kind of style, all bunched at the tape. Chapman won by a wheel, Jensen was second by a half wheel, Chaffee third and Jensen fourth within a wheel's length. Time—1:10 2-5.

The second heat was another fast one. Weller lit out with the pistol, Chaffee and Edmonds clinging close to him, and after a warm sprint for four laps Chaffee and Weller crossed the tape nose and nose, while the crowd shouted itself hoarse. Edmonds was a good third. Time—1:05 1-4.

In the final John Chapman fell on the second lap and was out of it. Emery came away and won rather easily, Weller taking second and Chaffee third. Time—1:05 1-4.

New Rider Gives Surprise.

S. W. Woolley, a new rider, was the limit man in the half mile amateur handicap. He furnished a surprise to the spectators. Starting at the seventy-yard line he made a run away race of it and won easily in 1:01 2-5, with Lawrence Beck (45 yards) second, and Edmonds (40 yards) third. George Lucas, from scratch, made a noble effort to catch the limit man, and with Nat Evans at twenty yards nearly succeeded in accomplishing it. His time was 1:07 2-5.

The limit men in the first heat of the mile handicap, professional, succeeded in accomplishing it. Edmonds (60 yards) caught Emery (50 yards) and Chaffee (130 yards) in the first lap, and the three set a pace which kept the rest of the field at bay. Chaffee (50 yards) and Turville (scratch). The latter two quit on the second lap. Edmonds and Chaffee finished first, second and third. Time—1:06 2-5.

Johnny Chapman was on scratch in the second heat, and he profited by Turville's misadventure. He caught and passed Emery (55 yards) in one lap, and launched Julius and Jensen on the third. Julius came back and won the race, running away in the sixth. Chapman led him, set a fifty-foot lead and then he started after him in a sprint that set the crowd cheering. Julius won by a wheel. Time—1:06 2-5.

The mile amateur was a close race all the way through. Eddie Smith and Meakin were the favorites, and they came in neck and neck. Eddie Smith won, with Meakin second. Time—1:06 2-5.

Close Amateur Race. The mile amateur was a close race all the way through. Eddie Smith and Meakin were the favorites, and they came in neck and neck. Eddie Smith won, with Meakin second. Time—1:06 2-5.

Final to Turville. Julius and Weller paced the final. There was much jockeying for position in the first mile, now one, now another taking turn in running ahead of the pack. Julius won by a wheel. Time—1:06 2-5.

Following is the summary: Half mile handicap, amateur—S. W. Woolley (40 yards) second, C. J. Turville (60 yards) third. Time—1:05 1-4.

Half mile, local professional—O. E. Emery won, George Weller second, Tod Chaffee third, J. B. Edmonds fourth. Time—1:05 1-4.

Mile handicap, professional—John Chapman (scratch) won, John Emery (50 yards) second, J. B. Edmonds (60 yards) third. Time—1:06 2-5.

Mile, open, amateur—E. E. Smith won, F. W. Meakin second, N. W. Evans third, G. H. Lucas fourth. Time—1:06 2-5.

Two mile, open, professional—Clem Turville won, Chaffee and Emery tied for second place, Jensen fourth. Time—2:25 2-5.

Bicycle Accident.

P. Pettit, one of the proprietors of the Pioneer saloon on First South street, met with a bicycle accident late last evening. He had made a wager with a friend that he could ride a bike better than he could a horse, and proceeded to demonstrate it. He got as far as the Knutsford hotel when he collided with the curb. He sustained several cuts and bruises on the face, and was attended by Dr. Reed.

I suffered with piles eleven years before using Dr. Williams' Pink Pills. Now my health is fully restored. I feel like a new born man. Conrad Stange, Meriden, Conn. A soothing, healing preparation of standard merit, best of worth. Write for literature. E. C. Schramm, McCormick block.

PROFESSIONAL BASEBALL NINE

SALT LAKE TO BE FITLY REPRESENTED NEXT YEAR.

Capitalists Take Hold, a Stock Company Is Formed, and Good News Assured.

Salt Lake will next year have a baseball team which will fitly represent this city in the games with other cities of the Intermountain country. A professional nine, composed of experienced players, will be put out and, while the other teams will remain in the field, the new aggregation will be the Salt Lake team, and it will represent Salt Lake and not one railroad or one faction.

The plan proposed is to next spring perfect an early organization, to take the form of a stock company. J. J. Walker, Jr., who is the proprietor of Walker field, is the originator of this project, and enough practical support has been pledged to insure its success, but also as productive of good baseball in future.

An attempt will be made to organize a team which will include such cities as Salt Lake, Ogden, Park City, Helena, Butte, Anaconda, Billings, Missoula and Aspen. Colorado. There is no reason to believe that a league so strongly made up should not receive the enthusiastic support of each city represented.

At present the outlook is most favorable, indeed, almost certain, for the realization of the scheme, and the news long and be welcome to the Salt Lake fans.

LAGOON EMPLOYEES' PLAY.

Will Show the Professional Ball Players Points in the Game.

The employees of the Lagoon resort have been called upon during the last few months to witness some pretty rocky work on the Lagoon diamond, and the raw exhibitions have fired them with an ambition to show their skills with the bat and ball. In consequence of this they have made arrangements for a game to take place on the Lagoon grounds on Monday, Sept. 11.

The line-up for the game will be as follows:

Restaurant. Miller
Kilgough C. Miller
Bernstein Al Zeigler
Fred Abbott P. McInerney
Reading S. Reed
Jed Abbott S. Hilditch
Renderson L. Stead
Renderson B. Seybold

BILLINGS DOWNED POCAHELLO.

Idahoans Defeated Easily By Score of 15 to 6.

(Special to The Herald.) Pocahelto, Idaho, Sept. 6.—Today's game with the Billings team was a fizzle from every point of view except that of the visitors, who walked away with the long end of the gate receipts by a score of 15 to 6, and that, too, with the poorest kind of a battery. McNeely was batted good and hard, giving nine hits, but even his easiness was not enough to overcome the brilliant errors of the home team in its field work.

Guardard pitched a magnificent game for the Pocahelto, but he was out of luck, but he was absolutely without
